TOOK HER LIFE.

Mrs. Herman Reining's Body Found by Her Mother,

THIS MORNING, COLD IN DEATH

Stole From House at an Early Hour to Commit Rash Act—Temporary Insanity.

A shocking suicide occurred at the home of Mrs. Mary Shilling on East Second street some time early this morning when Mrs. Herman Reining, daughter of Mrs. Shilling, took her life by hanging. Mr. and Mrs. Reining were residents of Toledo for some time where Mr. Reining was employed as a moulder. When the Delphos Foundry opened up he was given a position in Delphos and the family moved here making their home with her mother, Mrs. Shilling. Mr. Reining was thrown out of employment here some time ago and returned to Toledo where he was working, his wife intending to remain in Delphos for a time. Wednesday morning Mrs. Reining received a letter from her husband stating that he had taken a position at his trade and in the evening she wrote an answer. She retired as usual and from the fact that she did not appear for breakfast her mother presumed that she had gone up town to mail the message to her husband. About 7:30 Mrs. Shilling became uneasy concerning the whereabouts of her daughter and upon going to her room found her clothes there and suspicion at once arose that all was not right. A search was at once instituted, and upon going into the coal shed Mrs. Shilling was horrified to find her daughter hanging by her neck dead. Neighbors were at once called and the body was cut down and taken into the house, and Coroner Bice, of Lima notified. The act of suicide was a deliberate one and it is supposed that Mrs. Reining took her life about 5 o'clock. She arose from her bed, put on clean underwear, one shoe and was in her night dress.

She quietly left the house and going to the coal shed, placed a piece of clothing around her neck, and stepping upon a wash boiler, placed the other end of the garment over the end of a board near the top of the building, and then jumped into space her feet being only a few inches from the floor when found, her body against the wall. She was probably in this position for three or four hours. Mrs. Shilling went to the wood shed early in the morning and was within a few feet of her daughters lifeless body but it was unnoticed at that time.

Several months ago Mrs. Reining underwent an operation from which she never fully recovered. She was of a nervous temperment and it is thought that her mind was temporarily unbalanced when the rash act was committed. Mr. and Mrs. Reininger had always lived happily together and there was no reason why domestic troubles should prompt her to take her own life. Deceased was 32 years of age and is survived by her husband, mother, several brothers and sisters, who have the sympathy of all in this terrible affliction. Up to three o'clock this afternoon the Coroner had not veiwed the remains, and arrangements for the funeral have not yet been made.

Darning Needle Expert

H. F. REINING

H. F. Reining, 2033 Nevada Street, is shown here displaying a piece of his handiwork which he fashioned with a darning needle. Mr. Reining, an iron moulder, learned to knit while a sailor. He uses the clove hitch, half hitch and square knot, a most unusual combination. Besides this table spread he has made many other unusual knitted pieces.

Wherefore she prays for a divorce, alimony should the Sheriff succeed in catching him, and all other and further relief as in equity she is entitled to.
